

§ 14.10

covenant that it will be modified, adapted, or discontinued if found by the Secretary to be necessary, without liability or expense to the United States, so as not to conflict with the use and occupancy of the land for any authorized works which may be hereafter constructed thereon under the authority of the United States.

§ 14.10 Areas of National Park System.

(a) The Act of March 3, 1921 (41 Stat. 1353; 16 U.S.C. 797), provides that no right-of-way for dams, conduits, reservoirs, power houses, transmission lines, or other works for storage or carriage of water, or for the development, transmission, or utilization of power within the limits as then constituted of any national park or monument, shall be approved without the specific authority of Congress.

(b) Pursuant to any statute, including those listed in this subpart, applicable to lands administered by the National Park Service, rights-of-way over or through such lands will be issued by the Director of the National Park Service, or his delegate, under the regulations of this subpart.

Subpart C—Procedures

§ 14.20 Application.

§ 14.21 Form.

Application. The application shall be prepared and submitted in accordance with the requirements of this section. It should be in typewritten form or legible handwriting. It must specify that it is made pursuant to the regulations in this part and that the applicant agrees that the right-of-way if approved, will be subject to the terms and conditions of the applicable regulations contained in this part. It should also cite the act to be invoked and state the primary purposes for which the right-of-way is to be used. Applications shall be filed with the superintendent. If the right-of-way has been utilized without authority prior to the time the application is made, the application must state the date such utilization commenced and by whom, and the date the applicant alleges he obtained control of the improvements.

36 CFR Ch. I (7–1–07 Edition)

§ 14.22 Reimbursement of costs.

(a)(1) An applicant for a right-of-way or a permit incident to a right-of-way shall reimburse the United States for administrative and other costs incurred by the United States in processing the application, including the preparation of reports and statements pursuant to the National Environmental Policy Act (42 U.S.C. 4321–4347), before the right-of-way or permit will be issued under the regulations of this part.

(2) The regulations contained in this section do not apply to: (i) State or local governments or agencies or instrumentalities thereof where the lands will be used for governmental purposes and the lands and resources will continue to serve the general public; (ii) road use agreements or reciprocal road agreements; or (iii) Federal government agencies.

(3) An applicant must submit with each application a nonreturnable payment in accordance with the following schedule:

(i) Each right-of-way or permit incident to a right-of-way for crossing National Park System lands (e.g., for powerlines, pipelines, roads, and other linear facilities).

Length	Payments
Less than 5 miles	\$50 per mile or fraction thereof.
5 to 20 miles	\$500.
20 miles and over	\$500 for each 20 miles or fraction thereof.

(ii) Each right-of-way or permit incident to a right-of-way, not included in paragraph (a)(3)(i) of this section (e.g., for communication sites, reservoir sites, plant sites, and other non-linear facilities)—\$250 for each 40 acres or fraction thereof.

(iii) If a project has the features of paragraphs (a)(3) (i) and (ii) of this section in combination, the payment shall be the total of the amounts required by paragraphs (a)(3) (i) and (ii) of this section.

(4) When an application is received, the authorized officer shall estimate the costs expected to be incurred by the United States in processing the application. If, in the judgment of the authorized officer, such costs will exceed the paragraph (a)(3) of this section,
